

What is Grant Connect?

Grant Connect is an online database with detailed, searchable information about thousands of funders.

Available from within the library only, Grant Connect makes it easy for non-profit organizations to find funding opportunities.

How do I access Grant Connect?

From within your local Marigold member library, using a public computer or the library's wifi, visit www.marigold.ab.ca. On the right side of the home page, click on the eResources A - Z button.

Under G, click on Grant Connect.

Getting Started

Use the Grant Connect Dashboard to view updated funder listings or recently viewed funders.

Use the Quick Lookup search box if you know the name or Charitable Business Number of a funder.

Funder Search

Visit the Funder Search to identify which funders are most likely to support your organization or project.

Field of Activity / Population Served

- Social Services ▶
- Health ▶
- International ▶
- Religion ▶
- Environment ▶
- Sciences / Social Sciences ▶
- Arts and Culture ▶
- Education ▶
- Sports and Recreation ▶
- Charitable and Voluntary-Sector Development ▶

Select one or more Fields of Activity/Population Served, then narrow by:

- Your organization's location
- Type of funder (foundation, corporate, government)
- Language of correspondence
- Funder location
- Type of funding support (eg. on-time initiatives, operating costs, special projects, etc.)

Gift Explorer

Use the Gift Explorer to look for organizations similar to yours that have received grants in the past, or to find a funder who has given to organizations in your field.

Search results are displayed as a table and include:

Funder	Recipient Organization	Area	Location	Amount	Year
--------	------------------------	------	----------	--------	------

(Note: Not every grant awarded will be included in the table of results.)

Funder Information

Click on the name of a funder to learn more about them such as link to their website, funding interests and restrictions, application procedures and deadlines, and much more!
